Special Rules

Aquila

Italy had an almost-completed aircraft carrier but no true carrier planes. If you wish to use the *Aquila*, you may create an airgroup for her, of any combination of Re.2001 and Ju87 aircraft. Her airgroup, once you choose it, will have the *carrier planes* trait.

Frogmen

No harbor in the Mediterranean is safe from the Regia Marina's elite naval commandos. The Italian player may purchase **up to four** Frogmen dice, at a cost of **three points each**. At the start of a *Halsey* campaign, the Italian player may allocate those dice against enemy ships, no more than one die against any one ship. Roll each die. On a score of 4-6, the frogmen had no effect. On a score of 1-3, the frogmen's sabotage inflicts that many structure damage upon the ship in question.
