Special Rules

“Sie steuern falsch, die Biester!”

German torpedoes suffered from a variety of defects and are thus *Poor Quality*. They add +1 to the difficulty of a shot.

Graf Zeppelin

Germany had an almost-completed aircraft carrier but no true carrier planes. If you wish to use the **Graf Zeppelin**, its airgroup may comprise Fi167s, Me109s, and Ju87s, in whatever combination you choose. Her airgroup, once you choose it, will have the *carrier planes* trait.
